TO WHOM IT MAY CONCERN

Returning to Hong Kong after a long period working in China, we were fortunate to be introduced to the DB property market by Mr. Edwin Hai, and as a result, bought our apartment which perfectly met our life style aspirations.

Throughout the process, Edwin displayed his intimate knowledge of the DB market, drawing on his 20 years of real estate experience. Edwin remained receptive to our requirements and feedback following inspections, which enabled delivery of a targeted, patient search, allowing time for reaching a considered decision, culminating in a very satisfactory outcome.

I would not hesitate to recommend his services.

Yours faithfully,
